SAVIOUR VEST

Saviour Vest

The Saviour vest, featured in our advanced armor range, provides the highest level of protection. Built upon a standard tactical vest, the Saviour vest comes with extra safeguards for the side, throat, collar, thigh, shoulder, bicep, and groin areas. If the mission requires it, all these additional components can be easily removed, transforming the Saviour vest into a standard vest for versatile usage.

FEATURES

- Featuring NIJ Level IIIA Soft Armour for exceptional protection.
- Enhanced with removable soft armour protection for the shoulders, biceps, throat, thigh, and groin areas, making it ideal for Internal Security use or high-threat environments.
- Equipped with MOLLE / PALS Load attachments for versatile gear attachment options.
- Comfort Padding on the front and back ensures a comfortable wearing experience.
- Adjustable Shoulders provide improved comfort and a customized fit.

- 3D Mesh enhances airflow around the wearer's body, promoting breathability.
- External and Internal waistbands (adjustable) secure the vest firmly to the wearer.
- Equipped with a two-leg rig with buckle attachments for added convenience.
- Sturdy drag strap on the rear of the vest for easy handling in emergencies.
- Designed to accommodate 10" x 12" Hard Armour Panels for additional protection.
- Available in PU coated hardwearing fabric for durability and longevity.
